Comment: AGAINST the Merger of Avista and Hydro One

I have written Matthew Evans previously, I attended the C d'A presentation. I was more than skeptical of the arrangements of the deal at that time. With the firing of the Board by the Canadian Provincial gov't it is very clear who owns Hydro One. This creates an insurmountable hurdle to overcome and I'm glad to hear that the PUC Attorney understands the gravity of this decision, as I believe the state supreme court will weigh in on the constitutionality should the PUC defy the obvious.

With Oregon and Washington State wavering or leading in a decision against this merger it further strengthens the Idaho PUC's hand to reject this merger.

I'm glad to see the PUC Staff has come to realize that this bull has no horns. Thank you for listening to the very well intentioned people of Idaho,

Dan Rose
